

Becoming a Member of **THE TRUST**

CHESHIRE PEAKS & PLAINS HOUSING TRUST

Becoming a Member of the Trust

Did you know that all our tenants are entitled to apply for Membership of Cheshire Peaks & Plains Housing Trust? Other stakeholders, such as local residents or members of community groups, can also apply for membership.

Becoming a Member is a great way to get involved in the running of the Trust and have your say on important decisions that affect you and your community.

As a Member you will have certain additional rights, such as:

- You will have the right to vote on resolutions at general meetings, including changes to the Memorandum and Articles
- You will be invited to the Trust's Annual and Special General Meetings
- You will receive a copy of the Annual Report and Accounts
- You will have the right of information about the Trust's affairs (although information classed as confidential cannot be disclosed to Members)
- As well as other individuals, Members have the right to be considered for and / or elected to vacant places on the Board.

Being a Member doesn't require any special commitments of time or effort, although if you are a tenant you are unable to become or remain a Member if you are in serious breach of your tenancy agreement. So if you're interested in improving housing and housing services in the area, why not apply to join us?

If you'd like to reply, please complete the form and send it to Cheshire Peaks & Plains Housing Trust.
